Mt. Sterling Community Center – Weather Closing Policy

As winter weather approaches, we want to remind everyone of our weather closure and delay procedures:

If the Madison County Sheriff declares Level 2 Snow Emergency or higher, the Mount Sterling Community Center may close or delay opening. The Director may also make the decision to close if road or weather conditions are considered hazardous for patrons or staff.

If Madison-Plains Schools closes, the Center may close or delay opening, and all other programs will be evaluated case-by-case.

We will share updates on our Facebook page as soon as decisions are made.

Your safety is always our top priority—thank you for your understanding and continued support! Stay safe and warm!
